The questions from 1 to 8 are related to the candidate's characteristics as a researcher through their research. Please explain your assessment for each characteristic along with the justifications for your assessment.

<u>Important Note</u>: Kindly provide detailed justifications for each assessment you choose for the questions listed below.

1. **How do you assess the candidate's productivity in terms of quantity and frequency of their research output?**

   O Poor

   O Good

   O Very Good

   O Excellent

The detailed justifications for the assessment:

....

....

....

....

2. What is your general assessment of the quality of the scientific journals in which the candidate has published their research?

O Poor

O Good

O Very Good

O Excellent

The detailed justifications for the assessment:

....

....

....

....

3. What is your overall assessment of the quality of the conferences in which the candidate has published/participated?

O Poor

O Good

O Very Good

O Excellent

The detailed justifications for the assessment:

....

....

....

....

4. .What is your assessment of the originality and creativity in the candidate's research?

O Poor

O Good

O Very Good

O Excellent

The detailed justifications for the assessment:

....

....

....

....

....

5. What is your assessment of the importance of the candidate's research in their field of specialization?

O Poor

O Good

O Very Good

O Excellent

The detailed justifications for the assessment:

....

....

....

....

....

6. **What is your assessment of the candidate's level of independence in their research work?**

O Poor

O Good

O Very Good

O Excellent

The detailed justifications for the assessment:

....

....

....

....

....

7. **What is your assessment of the level of citations for the candidate's research?**

O Poor

O Good

O Very Good

O Excellent

The detailed justifications for the assessment:

....

....

....

....

....

8. **To what extent do you believe the candidate has achieved a prestigious academic status?**

O Poor

O Good

O Very Good

O Excellent

The detailed justifications for the assessment:

....

....

....

....

....

9. If we assume that your university will adopt the same research criteria applied at Hafar Al-Batin University for promotion to the Associate Professor rank (please review the attached criteria), what are the candidate's chances of promotion at your university?

O Eligible for promotion

O Eligible for promotion with reservations

O Not eligible for promotion

The detailed justifications for the assessment:
